

Craven Garth Cottages

Welcome to Rosedale, Along with the information about the area I would like to tell you of our move into Green Tourism Business,

We are in the process of change, working toward a greener place for your holiday.

You may wish to help.

- recycling paper – tin and glass
- careful use of electricity,
- Logs are from our dead trees or remnants from the saw mill.
- Consider using the Moors Bus.

WE have a long way to go but have taken our first steps.

Have a lovely Holiday here in Rosedale.

Product information

We are working toward saving energy and using recycled goods whenever we can.

Light bulbs

Paper products

Cleaning materials

Eco friendly cleaning cloths

Energy saving washing tablets

Water is from our own fresh supply

It is filtered by us, and is tested regularly
by the NYCC Health & Safety.

It is beautiful so no need to buy bottled.
